

DEVOPS DAYS • DFW 2016

Grapevine Convention Center
1209 S. Main Street
Grapevine, TX 76051
Sept. 15 & 16

In 2015, Forbes 500 listed 21 companies with corporate headquarters in the Dallas/Fort Worth Metroplex. The metropolitan area is also home to over 10,000 other notable corporate headquarters, making this the largest concentration of corporate headquarters in the United States.

The majority of these enterprises have two things common: development and operations. This is why 2016 is the perfect opportunity to sponsor DevOpsDays Dallas. We anticipate attendance will quickly reach our full capacity of 400 enthusiastic IT professionals. The majority of attendees supporting this conference are part of a growing community of DevOps professionals, Agile leaders, Scrum masters, Open Source developers and Cloud experts totaling more than 1000 members.

Sponsors of DevOpsDays Dallas will have the opportunity to talk with other practitioners, managers and executives from companies of all sizes. Industries include retail, banking, medical technology and consulting as well as the academic and public sectors.

Whether your goals include recruiting new talent, opening new markets or connecting with existing customers, this event will be the place for conversations with experts and leaders on the cutting edge of technology innovation.

Hosted at the centrally located Grapevine Convention Center, the conference will draw attendees from both Dallas and Fort Worth. The floor layout places sponsors in the middle of the action, with traffic flow designed to ensure that attendees will be able to easily notice and engage with sponsors.

Call for speakers and registration will open in May 2016.
