The inaugural DevOpsDays Philadelphia will bring the technology community together to discuss all things DevOps. It will be a place where longtime practitioners and newcomers will connect, learn and share experiences.

Sponsorship of this conference raises an organization's visibility in the DevOps community. Other opportunities for sponsorships include a speakers' dinner, evening events and lanyards.

- **200+ practitioners and leaders from the DevOps community**
- **Universities, Healthcare, Startups, Technology, Finance**

When: Oct 26 & 27, 2016

Where: Chemical Heritage Foundation, Old City Philadelphia
