devopsdays Minneapolis 2018 - July 12-13

Join us for the 5th annual devopsdays Minneapolis! The devops community in Minneapolis is vibrant and active; our local devops meetup has over 4,000 members and our 2017 devopsdays conference continued to grow, attracting 850 participants.

Minnesota is one of the states with the most Fortune 500 companies per capita, and also boasts a thriving and innovative startup scene. Sponsoring devopsdays Minneapolis will expose your brand to practitioners, managers, and executives from companies of all sizes and industries including retail, banking, manufacturing, medical technology, education, government, and consulting.

We are once again holding the event in the main ballroom of the Downtown Minneapolis Hilton and are expecting to draw an attendance of around 850 people. As in the past, we expect the sponsor area will be abuzz with activity and our attendees will be able to easily engage each of you.

Call for speakers and registration are also open now. Please visit https://www.devopsdays.org/events/2018-minneapolis/ for more information. (Speaking slots aside from the 1 or 5 minute pitch are managed via CFP, not as part of a sponsorship. Any additional desired tickets beyond the included tickets must be purchased.)
