

devopsdays Minneapolis 2022 - August 1-2

Join us for the 8th devopsdays Minneapolis! The devops community in Minneapolis is vibrant and active; our local devops meetup has over 5,800 members and our local devopsdays conference has grown year over year.

Minnesota is one of the states with the most Fortune 500 companies per capita, and also boasts a thriving and innovative startup scene. Sponsoring devopsdays Minneapolis will expose your brand to practitioners, managers, and executives from companies of all sizes and industries including retail, banking, manufacturing, medical technology, education, government, and consulting.

We are once again holding the event in the main ballroom of the Downtown Minneapolis Hilton and are expecting to again draw an attendance of around 500 people. As in the past, we expect the sponsor area will be abuzz with activity and our attendees will be able to easily engage with each of you. With a single track in the morning and participant-suggested breakout discussions in the afternoon, there are many opportunities for interaction.

Call for speakers and registration are also open now. Please visit devopsdays.org/minneapolis for more information. (Speaking slots aside from the 1 or 5 minute pitch are managed via CFP, not as part of a sponsorship. Any additional desired tickets beyond the included tickets must be purchased.)
