CLEARWATER

Event Features

DevOpsDays Boise Conference in beautiful Boise, Idaho will be taking place September 12, 2023. This conference provides a space for conversation within the DevOps industry surrounding latest techniques and best practices. This one day conference will include both main stage keynote speakers and more intimate topic-specific breakout sessions.

We are offering partnership opportunities to companies that align with our industry professionals in hopes of providing further value to both our attendees and your business. Sponsorships will directly support conference needs such as venue, food and beverage, keynote speakers, and giveaways. A sponsorship package is attached for your review.

Our goal is to ensure that your commitment brings value to your business, so please let us know if the provided

Attendee Profile

250 - 300 technology professionals attend

Attendee income range is \$50K - \$200K

Average attendee age is 25 - 40

Health & Safety

DevOpsDays Boise is committed to providing as safe a meeting space as practicable, taking into account the health of our community at large and the changing circumstances of the COVID-19 pandemic. We will work with Boise Centre follow all national, local, and CDC and WHO guidelines. We appreciate your willingness to help safeguard your fellow event attendees and respect their personal safety choices.

Special Thanks

On behalf of DevOpsDays Boise, we thank you for your partnership. We take great pride in partnering with you and look forward to continuing our relationship in the years to come.
