Why Sponsor?

Build visibility in Philadelphia's tech community

By sponsoring DevOpsDays Philadelphia, you play a vital role in fostering **connections** within the local tech community while enhancing your brand's visibility among engaged professionals and passionate practitioners.

This event provides a unique opportunity to **showcase your commitment** to innovation and collaboration, making valuable contributions that resonate well beyond the conference and into the broader Philadelphia tech ecosystem.

Sponsor Prospectus

Help shape Philadelphia's technical community.

DevOpsDays Philadelphia brings practitioners, leaders, and builders together for practical conversation across technology, operations, and culture. Sponsorship gives your team a visible, useful place in that exchange.

Last year's event welcomed around 250 attendees. This year, we are returning to the Science History Institute in Old City, where we expect the sponsor area to once again be abuzz with activity.
